"Aurel Vlaicu" University of Arad is a PUBLIC, ACCREDITED and ARACIS/IEP-EUA certified institution of higher education that continues the local legacy of academic teaching started by the Institute of Theology (1822), Faculty of Veterinary Medicine and Zootechnics (1947) and the Associate Engineer Institute (1972). Aurel Vlaicu University of Arad embodies a distinctive academic community that functions in accord with the stipulations included in the Constitution of Romania and the normative laws pertaining to the educational system.

Aurel Vlaicu University of Arad promotes and abides by all European conventions regarding higher education.

The University employs highly trained academic staff members and affords state of art amenities for didactic and research purposes in spaces that total over 47.000 square meters.

AVU issued diplomas are recognized worldwide.

Our students benefit from a series of advantages, such as:

- accessing merit and social scholarships, for both self-funded and government subsidized places. Scholarships cover all tuition fees;
- possibility of accessing study mobility programmes as well as inclusion in projects (AVU is partner in numerous European study mobility projects with universities from Germany, Norway, Denmark, Italy, Spain, Portugal, France, Cech Republic, Hungary, Poland, Finland);
- subsidized transportation fees and support for various cultural/sports events;
- complete accommodation services;
- free student camps;
- varied student activities organised by AVU's Students' League.
