Catedra de Management Marketing

Madrid, November, 15, 2010

Dear professor Szentesi:

I invite you to visit our Department from 22 to 26 November, for a short dissemination or discussion on topic economic/ecologic balance, theme: Develop a dynamic model to achieve economic/environmental balance for investment projects, in the framework of the project IDEI 1239/2007.

We don't have financial help for this activity. Therefore, I understand that the travel, accommodation, and any expense are supported by yourself (from the project).

Best greetings,

Emilio Cerdá Tena
Catedrático de Fundamentos del Análisis Económico
