The 2nd International Conference on
“ONGOING SOCIAL, ECONOMIC, AND ENVIRONMENTAL CHALLENGES”
OSEEC 2024
October 11th – 12th 2024
Arad, Romania

Dear Colleagues,

The organizing committee cordially invites you to attend the Second Edition of the International Conference on “Ongoing Social, Economic, and Environmental Challenges”, which will take place in Arad, Romania. The organizers of the collaborative event include the Faculty of Economics of “Aurel Vlaicu” University of Arad, Edu4Future Association, Centre for Economic Research and Consultancy, Center for Applied Ethics Studies, Financial Supervisory Authority, and Institute of Financial Studies.

We would be honored if you could accept our invitation and join us for what promises to be an exciting and fruitful scientific event.

OSEEC 2024 aims to foster meaningful exchange of knowledge and insights, promoting innovative approaches and solutions to address the ongoing challenges we face. With a diverse range of topics including social dynamics, economic policies, environmental conservation, and technological advancements, the conference provides a comprehensive forum for interdisciplinary discussions and collaborative research.

Attendees will have the opportunity to engage in thought-provoking presentations, panel discussions, and networking sessions.

Selected papers presented at the conference will be published in a Special Issue of the Journal of Financial Studies, edited by the Institute of Financial Studies.

Conference web page: <https://www.uav.ro/oseec2024>

CONFERENCE SECTIONS

- Management, Marketing and Business Administration
- Accounting, Finance and Financial Analysis
- Interdisciplinary Challenges

Participating authors can be professors, academics, researchers, PhD students, and other professionals in the field.

Master's students and undergraduate students are welcome to contribute to the paper, subject to the presence of a supervising academic member as part of the team.

Languages of the Conference are Romanian and English.

LOCATION

Conference plenary session will take place at the recently launched premises of the Faculty of Economics located on Paul Chinezul Street no.10, Arad, Romania.

Authors will be able to use online tools to present their papers remotely if they are unable to attend in person.

PAPERS

Papers will be written in English following the Authors guidelines.

No more than two scientific papers per author are accepted.

The full papers will undergo a rigorous peer-review process conducted by the members of the Scientific Committee. Additionally, to ensure academic integrity, all papers will be subjected to thorough scrutiny using anti-plagiarism software. It is possible that certain changes or corrections may be requested based on the evaluation results.

Selected papers presented at the conference will be published in a Special Issue of the Journal of Financial Studies, edited by the Institute of Financial Studies.

The Conference Volume will include the remaining papers.
