Qualification / Diploma obtained	Faculty of Agriculture. Bachelor of Agriculture. Marketing, Management, Economics, Rural Sociology, etc.

## 4. Personal skills

### 4.1 Known languages

Romanian	Native
----------	--------

	Understanding		Speaking		Writing
	Listening	Reading	Participation in the conversation	Oral speech	
Italian	C2	C2	C2	C2	C1
English	B2	B2	B2	B1	B1
French	B1	A1	A1	A1	A1

Levels:	A1/A2 Basic user	B1/B2 Independent user	C1/C2 Experienced user	(Common European Framework of Reference for Languages)
---------	------------------	------------------------	------------------------	--

### 4.2 Communication skills

I acquired my excellent communication skills by perfecting my teaching activity and following a series of training courses: from the Power of Communication courses taken abroad, to the Neuro Linguistic Programming, NLP courses, followed up to the master's degree in NLP. These trainings, but especially the study and practice, allow me to easily distinguish the types of language used and the one necessary to be used depending on the given situation.

### 4.3 Organizational/managerial skills

Experience in teamwork, good experience in project management and human resources management, due to both practical activity and specializations in the field. Excellent teamwork capacity, demonstrated through various coordinated international projects.

4.4 Skills acquired in the workplace	Ability to adapt to multicultural environments, obtained through work experience abroad, as well as courses and specializations followed in the field. Good communication skills, obtained as a result of work experience in multicultural and multidisciplinary environments.
4.5 Digital skills	I am well versed in Microsoft Office™ tools: Word, Excel and PowerPoint, as well as the SPSS statistical data processing program.
4.6 Driving skills	Licence category: B and C
4.7 Another skills	The ability to approach the professional situation, or the projects under discussion, from an interdisciplinary perspective, given my continuing education which comes to complement agricultural knowledge, through rural development, social, economic, and psychological and psychotherapy knowledge.
