

## SCIENTIFIC COMMITTEE

|     |                                    |                                                                        |              |
|-----|------------------------------------|------------------------------------------------------------------------|--------------|
| 1.  | Adrian Hatos, PhD                  | University of Oradea                                                   | Romania      |
| 2.  | Adela Redeş, PhD                   | Aurel Vlaicu University of Arad                                        | Romania      |
| 3.  | Alois Gherguţ                      | University Alexandru Ioan Cuza of Iaşi                                 | Romania      |
| 4.  | Alina Breaz, PhD                   | Aurel Vlaicu University of Arad                                        | Romania      |
| 5.  | Alina Costin, PhD                  | Aurel Vlaicu University of Arad                                        | Romania      |
| 6.  | Alina Felicia Roman, PhD           | Aurel Vlaicu University of Arad                                        | Romania      |
| 7.  | Alina Pădurean, PhD                | Aurel Vlaicu University of Arad                                        | Romania      |
| 8.  | Anca Egerău, PhD                   | Aurel Vlaicu University of Arad                                        | Romania      |
| 9.  | Angela Potânc, PhD                 | Moldavia State University                                              | Moldavia     |
| 10. | Anca Ralescu, PhD                  | University of Cincinnati                                               | USA          |
| 11. | Anca Nedelcu                       | University of Bucharest                                                | Romania      |
| 12. | Anna Esposito, PhD                 | University Campania Luigi Vanvitelli of Caserta                        | Italy        |
| 13. | Antonio Leon Garcia Izquierdo, PhD | University of Oviedo                                                   | Spain        |
| 14. | Arora Madhu, PhD                   | New Delhi Institute of Management                                      | India        |
| 15. | Attila Kiss, PhD                   | Gal Ferenc University of Szarvas                                       | Hungary      |
| 16. | Asif Ali Syed, PhD                 | SMI University, Karachi                                                | Pakistan     |
| 17. | Birgitte Vigso-Hennionsen, PhD     | University College VIA                                                 | Denmark      |
| 18. | Bogdan Nadolu                      | University of Timișoara                                                | Romania      |
| 19. | Cătălin Glava, PhD                 | Babeş- Bolyai University Cluj-Napoca                                   | Romania      |
| 20. | Chinaza Ueanya, PhD                | University of Johannesburg                                             | South Africa |
| 21. | Claudia Bacter                     | University of Oradea                                                   | Romania      |
| 22. | Claudiu Langa, PhD                 | National University of Science and Technology Polytechnic of Bucharest | Romania      |
| 23. | Claudiu Marian Bunăiaşu            | University of Craiova                                                  | Romania      |
| 24. | Constantin Cucoş, PhD              | Alexandru Ioan Cuza University of Iaşi                                 | Romania      |
| 25. | Cristina Nicolaescu, PhD           | Aurel Vlaicu University of Arad                                        | Romania      |
| 26. | Cristian Stan, PhD                 | Babeş- Bolyai University Cluj-Napoca                                   | Romania      |
| 27. | Dalila Lino, PhD                   | University of Lisbon                                                   | Portugal     |
| 28. | Damien Hanyurwimfura, PhD          | University of Kigali                                                   | Rwanda       |
| 29. | Dan Ralescu, PhD                   | University of Cincinnati                                               | USA          |
| 30. | Dana Rad, PhD                      | Aurel Vlaicu University of Arad                                        | Romania      |
| 31. | Dana Dughi, PhD                    | Aurel Vlaicu University of Arad                                        | Romania      |
| 32. | Dana Copolovici, PhD               | Aurel Vlaicu University of Arad                                        | Romania      |
| 33. | Daniel Mara, PhD                   | Lucian Blaga University of Sibiu                                       | Romania      |
| 34. | Daniela Sime, PhD                  | University of Strathclyde, Glasgow                                     | UK           |
| 35. | Dorin Herlo, PhD                   | Aurel Vlaicu University of Arad                                        | Romania      |
| 36. | Dziuginta Baraldsnes, PhD          | Western Norway University of Applied Sciences                          | Norway       |
| 37. | Editha Coşarbă, PhD                | Aurel Vlaicu University of Arad                                        | Romania      |
| 38. | Esra Molu, PhD                     | Marmara University                                                     | Turkey       |
| 39. | Evelina Balaş, PhD                 | Aurel Vlaicu University of Arad                                        | Romania      |
