Field name	Description
University	"Aurel Vlaicu" University from Arad
Faculty	Faculty of Engineering
Department	DepartmentAutomatic, Industrial Engineering, Textiles and Transports
The position in the state of functions	No. 44
Function	Lecturer
Disciplines from the curriculum	 Materials science Materials science and engineering Machine building technology 1 Machine building technology 2 Technological devices
The scientific field	Industrial engineering
Description of the position put out to competition	 The position of Lecturer, position 44, consists of: 1. Materials Science: 1st year, 1st semester, specialization IS, TCM, license, 2 hours lecture, 2 hours laboratory. 2. Materials science and engineering: 1st year, 1st semester, AR specialization, bachelor's degree, 2 hours course, 2 hours laboratory. 3. Machine building technology 1: IV year, I semester, TCM specialization, license, 2 laboratory hours. 4. Machine building technology 2: IV year, II semester, TCM specialization, bachelor's degree, 2 hours project. 5. Technological devices: third year, second semester, TCM specialization, bachelor's degree, 2 hours project.
Attributions/activities related to the position put up for competition, including the didactic norm and the types of activities included in the didactic norm	 Teaching activities: a) Participation in councils and commissions in the interest of education. b) Seminar activities, practical works, laboratory and course; c) Guiding the elaboration of semester project works; d) Participation in the activities organized by the department, faculty and/or university e) Other didactic, practical and scientific research activities included in the curriculum; f) Evaluation activities; g) Tutoring, consultations, guidance of student scientific circles; h) Scientific and methodical training activities and other activities in the interest of education; 2. Research activities: a) Activities within the research center provided for in the internal research plan;

The minimum salary for the	 b) Initiating, running and monitoring programs and projects; c) Participation in conferences, scientific sessions for the dissemination of research results; d) Elaboration and publication of articles, treatises, monographs and specialist books provided for in the internal plan. 6351 lei
position at the time of employment	
CONTEST CALENDAR	
Date of publication of the announcement in the Official Monitor of Romania part III	Official Monitor no. 143 of 30.04.2024
Registration start and end period	April 30, 2024 - June 28, 2024
The date, day of the week and time of taking the competition tests	18.09.2024, Wednesday, 10.00 a.m. didactic/scientific lecture 1 hour 18.09.2024, Wednesday, 11.00 – public lecture 1 hour
The place of taking the evidence	"Aurel Vlaicu" University of Arad, Faculty of Engineering, str. Elena Drăgoi, no. 2, Arad Room 304
The data for supporting the competition tests, including the lectures, courses, etc.	18.09.2024
Date of communication of the	18.09.2024
results The period of beginning and end of appeals	19.09.2024 - 23.09.2024 (on weekdays)
The period of beginning and end of	 Bibliography: 1. D. Constantinescu, DI Văireanu, I. Maior, Materials Science, MatrixRom, Bucharest, 2004. 2. Gangane, Kalpana, and Dipak Prakash Patil. "A Survey on Downtime Cost of Equipment Used in a Construction Industry.", 2018.
The period of beginning and end of appeals The bibliography and topics of the competition tests, including the lectures, courses or other such topics, or the topics from which the competition committee can choose	 Bibliography: 1. evaluated by the competition committee based on the		
		competition file and, additionally, through one or more
competition tests, including lectures, holding courses or		

	similar according to its sum mathedalessy IIAV
	similar, according to its own methodology, UAV
	announces on the competition web page and the UAV
	web page, the day, time and place of the competition
	tests.
	For the position of head of works, the candidate will
	deliver a didactic/scientific lecture on a topic from the
	position structure established by the committee and
	announced to the candidates 48 hours before the
	presentation by e-mail and on the UAV website in
	addition, the candidates they will give a public lecture
	of at least 45 minutes in which they present their most
	significant previous professional achievements and their
	future university career development plan. This sample
	must also include a session of questions from the
	committee and the public.
The complete list of documents	a) the cover page of the file according to the model in
that candidates must include in the	Annex 12
competition file according to the	b) File description (list of documents from the
provisions and models of UAV's	competition file, number of documents' tabs and the
own Methodology	page where the document is found) according to the
	model in Annex 13.
	c) the competition registration application, signed by
	the candidate, which includes a declaration on his own
	responsibility regarding the veracity of the information
	presented in the file, registered at the UAV Registry (Annex 2).
	d) a proposal for the development of the candidate's
	university career both from a didactic point of view, in
	the case of teaching positions, and from the point of
	view of scientific research activities; the proposal is
	drawn up by the candidate, includes a maximum of 10
	pages and is one of the main criteria for deciding the
	candidates. The document is signed on each page in the
	lower right corner with a pen or blue ink.
	e) candidate's curriculum vitae in printed and
	electronic format, drawn up according to Art. 15. The
	document is signed on each page in the lower right
	corner with a pen or blue ink.
	f) the candidate's list of works, in printed and
	electronic format, drawn up according to Art 16. The
	document is signed on each page in the lower right
	corner with a pen or blue ink.
	Note: for research positions, the list of published
	works will be accompanied by one copy of at least 5
	representative works.
	g) the verification sheet for meeting the university's
	standards for submission to the competition, the
	standard format of which is provided by its own
	methodology in Annex 4. The verification sheet is
	completed and signed by the candidate on each page in
	the lower right corner with a pen or blue ink . This will
	be accompanied by proof of meeting the criteria, in
	electronic format.

 h) documents related to the possession of the doctor's degree: copy in accordance with the original or legalized copy of the doctor's degree and, in case the original doctor's degree is not recognized in Romania, the certificate of its recognition or equivalence; i) documents related to the possession of the qualification certificate in the field of the competitive position (for candidates for the position of university professor): copy of the qualification certificate in accordance with the original or legalized; j) the summary, in Romanian and in a language of international circulation, of the doctoral thesis and/or, as the case may be, of the habilitation thesis, on a maximum of one page for each language; k) declaration on the candidate's own responsibility indicating the situations of incompatibility provided for by Law no. 1/2011 in which it would be in case of winning the competition or the absence of these incompatibility situations (Annex 8); l) the copy according to the Official Gazette in which the position was published; m) copies of other diplomas certifying the candidate's studies: baccalaureate diploma or equivalent; bachelor's degree or equivalent; master's degree (accompanied by the supplement to the diploma / transcript) - copies according to the original or legalized; n) copy of the identity card or, if the candidate does not have an identity card, of the passport or another identity document drawn up for an equivalent purpose to the identity card or passport; o) if the candidate has changed his name, copies of the documents attesting to the name change — marriage certificate or proof of name change — marriage certificate or proof of name change — marriage certificate or proof of name change - copy in accordance with the original or legalized; p) list of a maximum of 10 publications, patents or other works of the candidate, selected by him and considered to be the most relevant for his own professional achievemen
full, will be submitted to the file and in electronic
r) the list with the names and contact addresses of at least 3 personalities in the field who developed letters of recommendation and the letters of recommendation, for the positions of university lecturer and university professor, drawn up con fart. 17;
s) Competition file CD (it will contain all the documents physically submitted to the file (those provided for in letters dq) and those provided in electronic format). The documents included in the file will be scanned in *.pdf format. Note:For research positions, the following are also
submitted:

	Certified copy of the work book or copy extracted from REVISAL to prove seniority
	<u>All documents provided previously as legalized copies</u> <u>can be submitted to the file in simple copies if</u> <u>confirmation is made with the original at the</u> <u>headquarters of our university by the person</u> <u>appointed from the university secretariat.</u>
The address to which the tender	"Aurel Vlaicu" University of Arad, Arad, Bdul.
file must be sent	Revolution no. 77, Arad county, code 310130
Competition commission	
The appeals settlement commission	
Methodology	According to the UAV methodology, M03

Note: The announcements regarding the positions of university lecturer, university professor, scientific researcher degree II and scientific researcher degree I will also be published in English
