|                                      | year, Il nd, TCM (BA),2C   |
| Responsibilities                     | 1. Educational activities:   |
|                                      | a) Teaching activities;  |
|                                      | b) Seminar teaching, practical and laboratory work, guiding                                |
|                                      | <ul><li>annual projects;</li><li>c) Guiding the elaboration of B.A. papers;</li></ul>      |
|                                      | d) Guiding the elaboration of theses;  |
|                                      | e) Other educational, practical and scientific research                                    |
|                                      | activities present in the teaching curriculum;   |
|                                      | f) Assessment activities;  |
|                                      | g) Tutoring, consulting, guiding of scientific student circles;                            |
|                                      | h) Scientific and method preparation, as well as other                                     |
|                                      | activities conducted in the interest of better teaching;                                   |
|                                      | i) Participation in all activities organized by the department,                            |
|                                      | faculty and/or university;   |
|                                      | j) Participation in councils and committees in the interest of education;                  |
|                                      | 2. Research activities:  |
|                                      | a) Activities in the research centre, that are mentioned in the                            |
|                                      | internal educational plan;   |
|                                      | b) Initiating, developing and monitoring programs and                                      |
|                                      | projects;  |
|                                      | c) Participating in conferences, scientific sessions, with the                             |
|                                      | purpose of disseminating results of research activities;                                   |
|                                      | d) Elaboration and publication of articles, discourses,                                    |
|                                      | monographies, and specialised papers, as mentioned in the internal educational curriculum. |
| Salary                               | 7819 lei   |

|                                   |   |
| Description of contest procedures | The general standards related to the professor function are   |
|                                   | minimum and mandatory requirements in applying for the  |
|                                   | occupancy competition for the position.   |
|                                   | The applicant must cumulatively fulfil the requirements of<br>national minimum standards and the standards of the |
|                                   | university for each teaching and research position targeted   |
|                                   | The applicant must also fulfil the specific conditions for the  |
|                                   | targeted position:  |
|                                   | - A graduate of Engineering Faculty, undergraduate study  |
|                                   | program: TCM (or equivalent)  |
|                                   | - PhD in Industrial Engineering   |
|                                   | -Habilitation certificate in Industrial Engineering   |
|                                   | The competition for a professor position consists of:   |
|                                   | • Analysis of the file submitted for the contest;   |
|                                   | • supporting a public lecture for minimum 45 minutes  |
|                                   | in which the candidate presents the most significant  |
|                                   | professional results and the university career  |
|                                   | development plan. In compulsory it will contain a   |
|                                   | questioning session from the commission and from  |
|                                   | the public (the candidates not coming from higher   |
|                                   | education must support a didactic lecture with the  |
|                                   | students, in front of the committee . Its theme is<br>announced to the candidates with 48 hours before the        |
|                                   | contest by e-mail and on the website of U.A.V.)   |
|                                   | The contest committee will evaluate the candidate in  |
|                                   | conformity with the following aspects:  |
|                                   | - the fulfil of the minimal criteria required by CNATDCU  |
|                                   | and U.A.V.  |
|                                   | - relevance and impact of the candidate's scientific results;   |
|                                   | - the candidate's ability to guide students and young   |
|                                   | researchers;  |
|                                   | - the didactic capacity of the candidate for those positions  |
|                                   | that entail didactic activities;  |
|                                   | - the candidate's capacity to transfer knowledge and results  |
|                                   | to the economic or social field or to disseminate his/her<br>own scientific results;                              |
|                                   | - the candidate's capacity for team work and his/her  |
|                                   | efficiency in scientific collaborations, according to the   |
|                                   | specifics of the teaching field;  |
|                                   | - the candidate's capacity to lead research and development   |
|                                   | projects;   |
|                                   | - the candidate's professional experience.  |
| List of required documentation    | 1. Cover page of the file   |
|                                   | 2. Content page   |
|                                   | <b>3.</b> Request to participate in the contest, signed by  |
|                                   | the candidate, which will include a signed  |
|                                   | statement validating all information provided in  |
|                                   | the file.   |
|                                   | <b>4.</b> Copy of Monitorul Oficial with the announce of  |
|                                   | contest nr. 143/30.IV.2024 partea a III a   |
|                                   | <b>5.</b> Proposition for developing his/her university   |
|                                   | career, from a didactic as well as scientific point   |

| Γ  |   |
|----|---|
|    | of view; the proposition will be written by the             |
|    | candidate on max. 10 pages, this being one of               |
|    | the criteria used to differentiate between                  |
|    | candidates.   |
| 6. | Candidate's curriculum vitae, both in printed and           |
|    | electronic format (CD).                                     |
| 7. | Candidate's list of written works, both in printed          |
|    | and electronic format (CD).                                 |
| 8. | The verification list for fulfilling university             |
|    | standards, which are present in the university              |
|    | contest methodology, available on the university            |
|    | website. The verification list will be filled in and        |
|    | signed by the candidate.                                    |
| 9. | Documentation referring to owning a doctorate's             |
|    | degree, one legalized copy of the                           |
|    | aforementioned degree, or, if the original                  |
|    | diploma is not officially recognized in Romania,            |
|    | a notary document attesting to its validity.                |
| 10 | Documentation referring to owning a habilitation            |
| 11 | certificate   |
|    | • A one-page summary of the doctorate's thesis              |
|    | and habilitation thesis, in Romanian and a                  |
| 12 | language of international circulation.                      |
| 12 | • Candidate's declaration indicating possible               |
|    | incompatibility situations present in the 1/2011            |
|    | Law that he/she would be in, should he/she win the contest. |
| 13 | • Copy of Baccalaureate diploma                             |
|    | • Copy of University diploma and attached file              |
| 14 | with marks  |
| 15 | • Copies of any other diplomas that attest the              |
| 10 | candidate's studies   |
| 16 | • Legalized copy of Certificate issued by the               |
|    | Departament for teaching staff training level II            |
| 17 | • Copy of certificates of compettent atestation             |
|    | • A copy of the candidate's ID. If the candidate            |
|    | does not possess an ID, a copy of his/her                   |
|    | passport or any other identification document.( If          |
|    | the candidate has changed his/her name, copies              |
|    | of documents that attest the change, i.e. a                 |
|    | legalized copy of the marriage certificate or               |
|    | proof of name change)                                       |
| 19 | Copy of birth certificate                                   |
|    | • A maximum of 10 published works, patents or               |
|    | papers that were written by the candidate and are           |
|    | the most relevant for his/her professional                  |
|    | achievements, in electronic format.                         |
