Description of the examination procedure, including specific conditions for occupying the position (holding a diploma of completion of undergraduate studies in the specialization of the position, holding a doctoral diploma in the field of the position's disciplines, as well as conditions of seniority and annual	<p><b>The conditions for registration for the promotion exam in the academic career</b> for the position of university lecturer are:</p> <p>a) the candidate must be a full-time academic staff member of the UAV who has received a rating of "very good" in the last 3 years at UAV and has not been disciplined in the last 3 years and meets the standards for occupying teaching positions, specific to the position;</p>

evaluation provided in Article 10 of the own methodology).

- b) holding a doctoral degree in the field of the post's disciplines or in a related field;
- c) holding a didactic master's degree/certificate of completion of the psycho-pedagogical module or other equivalent documents;
- d) a minimum of 3 years of experience as a UAV academic staff member;
- e) meeting the minimum standards of the university for the recruitment of academic staff, specific to the position of university lecturer/senior lecturer, provided by the respective methodology, in Annex 1. These standards constitute an evaluation criterion for universities according to art. 193 of Law no. 1/2011 with subsequent amendments and completions.
- f) fulfills the requirements stipulated by art. 5 para. (2),(3) from the M.11 methodology of the UAV.

**The promotion exam in the academic career** for the position of university lecturer consists of:

- analysis of the competition file;
- holding a didactic/scientific lecture on a topic from the post structure established by the commission and announced to the candidates 48 hours before the presentation by e-mail and on the UAV website;
- holding a public lecture of at least 45 minutes in which the candidate presents his/her most significant previous professional achievements and the plan for future academic career development. This test may also include a question-and-answer session with the commission and the audience.

The commission for the promotion exam in the academic career evaluates the candidate from the perspective of the following aspects:

- a) meeting the minimum standards imposed by CNATDCU and the university by analyzing the checklist of compliance with the minimum standards of the university, a form that will be signed by all members of the commission (the president will sign on each page of the respective form);
- b) the relevance and impact of the candidate's scientific results;
- c) the candidate's ability to guide students or young researchers;
- d) the candidate's didactic competencies;
- e) the candidate's ability to transfer his/her knowledge and results to the economic or social environment or to promote his/her own scientific results;
- f) the candidate's ability to work in a team and the effectiveness of his/her scientific collaborations,

	<p>depending on the specific nature of the candidate's field;</p> <p>g) the candidate's ability to lead research and development projects;</p> <p>h) the candidate's professional experience in institutions other than UAV.</p>
<p>Full list of documents that the candidate must include in the exam file:  <u>See also art. 11 of University's Methodology</u></p>	<ol style="list-style-type: none"> <li>1. <b>Cover page</b></li> <li>2. <b>File description</b></li> <li>3. <b>Exam registration request</b>, signed by the candidate, including a declaration on their own responsibility regarding the accuracy of the information presented in the file, registered at the UAV Registry;</li> <li>4. <b>Proposal for the candidate's academic and scientific career development</b>, written by the candidate and containing a <b>maximum of 10 pages</b>, being one of the main criteria for the selection of candidates. Signed on each page in the lower right corner with a blue pen or ink;</li> <li>5. Candidate's <b>curriculum vitae</b> in printed format, <b>signed in original on each page</b>, and in electronic format on CD. Signed on each page in the lower right corner with a blue pen or ink;</li> </ol> <p><b>The curriculum vitae must include:</b>  Information on studies and degrees obtained;  Information on relevant work experience;  Information on research and development projects led by the candidate as project director and grants obtained or in which the candidate has participated as a member, indicating for each the source of funding, funding volume, and main publications or patents resulting; Information on awards or other recognition of the candidate's scientific contributions.</p> <ol style="list-style-type: none"> <li>6. <b>List of the candidate's works</b> in printed format, <b>signed in original on each page</b>, and in electronic format on CD. Signed on each page in the lower right corner with a blue pen or ink;  <b>The list of works will be structured as follows:</b> <ol style="list-style-type: none"> <li>a) a list of a maximum of 10 works considered by the candidate to be the most relevant to their own professional achievements, which are included in electronic format in the file and</li> </ol> </li> </ol>

	<p>which can also be found in the other categories of works provided for in this article;</p> <p>b) the doctoral thesis or theses and/or the habilitation thesis or theses;</p> <p>c) patents and other industrial property titles;</p> <p>d) books and book chapters;</p> <p>e) articles/full-length studies published in main international scientific journals;</p> <p>f) full-length publications appearing in works of the main international specialized conferences;</p> <p>g) other works and scientific contributions or, as the case may be, in the field of artistic creation.</p> <p><b>7. Checklist of compliance with university standards</b>, the standard format of which is provided in the examination methodology itself, posted on the university website. The verification checklist is completed and <b>signed in original by the candidate on each page in the lower right corner with a blue pen or ink</b>;</p> <p><b>8. Documents related to holding a doctorate diploma, a certified copy of the doctorate diploma</b> and, if the original doctorate diploma is not recognized in Romania, the recognition or equivalence certificate;</p> <p><b>9. Documents related to holding the habilitation certificate in the field of disciplines from the vacant position intended for promotion, a copy of the habilitation certificate in accordance with the original or certified copy</b>;</p> <p><b>10. Summary in Romanian and in an international circulation language of the doctoral thesis and/or the habilitation thesis</b>, on a maximum of one page for each language;</p> <p><b>11. Declaration on the candidate's own responsibility indicating that they have not been subject to disciplinary sanctions in the last 3 years</b>;</p> <p><b>12. Proof of obtaining a "very good" rating in the last 3 years, copies of the annual evaluation sheets certified for conformity by the department director</b>;</p> <p><b>13. Copies of other diplomas attesting to the candidate's studies (high school diploma or equivalent, bachelor's degree or equivalent, master's degree accompanied by diploma</b></p>
--	--

	<p><b>supplement/academic record, copies conforming to the original or legalized);</b></p> <p><b>14. Copy of the identity card.</b> In case the candidate does not have an identity card, a copy of the passport or another identity document drawn up for an equivalent purpose to the identity card;</p> <p><b>15.</b> In case the candidate has changed his/her name, copies of the documents attesting to the name change, namely the <b>marriage certificate or proof of name change</b> in legalized copy;</p> <p><b>16.</b> Certified copy of the birth certificate;</p> <p><b>17. Up to 10 publications,</b> patents or other works of the candidate, in electronic format, selected by him/her and considered to be the most relevant for his/her own professional achievements. <b>The publications included in electronic format will also be highlighted in a text list in reverse chronological order of appearance, starting with the newest ones signed with blue ink or blue pen;</b></p> <p><b>18. Certificate attesting to the length of service as a teaching staff member at the UAV;</b></p> <p><b>19. For candidates for the positions of university professor and associate professor, a list of at least 3 personalities in the field with names and contact addresses who have agreed to prepare recommendation letters regarding the candidate's professional qualities <u>and the recommendation letters themselves;</u></b></p> <p><b>20. Examination file CD</b> (this will contain all the documents submitted physically and in electronic format. The documents submitted physically will be scanned in *.pdf format.</p>
Address for submitting the exam file	<b>"Aurel Vlaicu" University of Arad, Arad, Revolutiei Boulevard no. 77, Arad County, postal code 310130</b>
Methodology	According to the University's methodology M.11 posted on the UAV website.
