

Colectia *In Honorem* reprezinta nu doar un act de omagiere a celor ce si-au asumat cu responsabilitate sarcinile Teologiei in Universitate ci si o oglinda a devenirii invatamantului teologic aradean in noul context universitar romanesc. Astfel, *In Honorem* Pr. Prof. Univ. Dr. C-tin Rus omagiaza unul dintre profesorii de inceput ai Facultatii, cu contributiile stiintifice semnificative in domeniul Teologie, specializarea Drept bisericesc.

The *In Honorem* collection stands not only as a gesture of homage to those who have undertaken with responsibility and dedication the mission of theology within the academic sphere, but also as a genuine reflection of the development and consolidation of theological education in Arad within the new Romanian university context. Within this framework, the volume *In Honorem* Pr. Prof. Univ. Dr. Constantin Rus pays tribute to one of the founding professors of the Faculty, whose scholarly contributions in the field of Theology—particularly in the area of Canon Law—are distinguished by their rigor, depth, and academic impact.
