

Ethical conduct

Publishers and editors shall take reasonable steps to identify and prevent the publication of papers where research misconduct has occurred

Authors must not use the words, figures, or ideas of others without attribution. All sources must be cited at the point they are used, and reuse of wording must be limited and be attributed or quoted in the text.

We take care to prevent and do not encourage misconduct, or knowingly allow such misconduct to take place

The editors of journal retracted articles when needed, we always be willing to publish corrections, clarifications, retractions and apologies when needed

We follow the rules of COPE, Committee of Publication Ethics, [*Code of Conduct*](#)
